The Goebel Law is the most fitting monument that GOEBEL could have.

The repeal of the Goebel Law by the men who have become its beneficiaries is a wanton insult to the memory of GOEBEL.

If all the money that has been wasted on Missions in China had been applied at home, each state might have had more Colleges and fewer Workhouses.

WHEN one considers how Chinese subjects have been treated in this "land of the free and home of the brave," Uncle Sam hasn't very strong grounds to declare war against the pigtail.

STARKER that no one at Kansas City has suggested our good friend CHARLIE POYNTE for that Vice-Presidential plum. CHARLIE is not only in favor of 16-to-1, but he has shown wherein 1 is greater than 198,714.

The Editor of the Schlesische Zeitung, printed in Berlin, in advocacy of a German army for transmarine service, uses the argument that—

"Some time a massacre of Germans may occur in the United States."

That chap had best never venture over here, lest he find his way into the nearest Lunatic Asylum.

This isn't the first Chinese outbreak against "the foreign devils."

It began against the Catholics in 1292, and again in 1386. The first Protestant Missionary reached China in 1807. Since that time there have been numerous uprisings, that of Taiping alone, 1850-64, costing the lives of 20,000,000 Chinamen. First and last, the loss of life and property has been astounding. Well may it be asked, Is it possible that the evil resulting from Christian proselyting—the numerous massacres and destruction of millions of dollars' worth of property—has overbalanced the good?

It is easy to understand the Chinaman's antipathy by imagining what Christians would do if the pigtailed swarmed to America, built idols and temples and earnestly worked to "convert" the Yankee "barbarians."

CARL SCHURZ, who held office almost continuously under Republican Administrations for thirty years, and when he couldn't get any more became a dog-in-the-manger, has broken loose again.

He is now criticizing President McKinley pretty much as he criticized President LINCOLN; and in this connection the following letter from Mr. LINCOLN to the carpenter Call will be instructive to the present generation. It was written by the martyred President November 24th, 1862:

"I have just received and read your letter of the 20th. The purport of it is that we lost the last election because the Administration is failing because the war is unsuccessful, and that I must not flatter myself that I am not justly to blame. But who is to be blamed for it? I must discard my own judgment and take yours. I must also take that of others, and by the time I should reject all I should be advised to reject I should have none left. Republicans or others—not even yourself. For, be assured, my dear sir, there are men who have 'heart in it' that think you are performing your part as poorly as you think I am performing mine."

BRYAN appears to be the whole Democratic party—and he's a Populist.

BRYAN without Free Silver would be a dog without a tail, and Free Silver without BRYAN would be a tail without a dog.

DO NOT LEAVE THE CITY. Plenty of Proof Right Here in Mayville.

Claim is one thing, proof is another. Columbus claimed the world was round.

Did people believe it? Not until he proved it.

Unproven claims have made the people skeptics.

Every claim made for the "Little Conqueror" is proven.

Proven in Mayville by local experience.

Here is one case from the many we have:

PREVENTED ARREST. A Young Man Shot and Killed By His Father-in-Law. White.

Revolving Arrest.

Brookville, Ky., July 6.—Robert Yates, a working young man, was shot and killed by his father-in-law, Thomas Kinney. For some time they have been enemies, and Yates had threatened to kill Kinney. Kinney also his son, George B. Kinney, who is a prominent young attorney of the Broken Bar association.

About 10 o'clock at night Yates returned home, after a trip down town, and soon after his arrival home, it is said, he had a quarrel with his wife and made some threats, which were overheard by some near-by neighbors.

An officer was sent for, and Tom Kinney, who is city marshal, started with Mayor Bradford to the arrest.

It was a little after 10 o'clock when they arrived at the home of Yates. As soon as he saw Kinney and Bradford he drew his pistol and fired first, but missed. He attempted to fire again, but by the time Kinney had fired the fatal shot, the ball penetrated Yates' head and he was surrendered to County Judge Mayo.

Mrs. Yates, the only daughter of Kinney and the wife of the murdered man, is almost prostrated with grief.

MCHORD BILL ASSAILED. Railroads Ask For an Injunction Against the State Board of Railroad Commissioners.

Louisville, Ky., July 6.—A suit to test, and, if possible, break the Mchord railroad law, which now controls all railroads in Kentucky, was filed in the federal court by Louisville & Nashville, Southern Railroad of Kentucky, Louisville, Henderson & St. Louis and Chesapeake & Ohio.

The suit is for a temporary injunction against the state board of railroad commissioners, composed of Mchord, Dempsey and Wood, and ask that this be made perpetual on its hearing.

They ask that the Mchord bill be declared invalid, alleging it is contrary to that part of the federal constitution which gives congress sole control over interstate commerce. Subpoenas and writs of habeas corpus are also asked.

KENTUCKY'S TAX DEDUCTIBILITY. The Assessed Value of Property is \$574,800,000—less than last year.

Frankfort, Ky., July 6.—The state board of equalization has just issued its report with the auditor. The grand total assessed value of all property subject to equalization is \$574,800,000. While this is an increase of about \$100,000 over the assessment of last year, the amount of tax to be realized will be \$226,000 less than last year, owing to the decrease of the tax rate from 3 1/2 to 3 1/4 cents.

The report shows that there was raised in the state upward of 1,250,000 acres of corn last year.

Woman Whipped By Whitecaps. Elizabeth Scott of Eastview, was taken from home by whitecaps and whipped with switches until blood trickled to her feet and she was unconscious.

News, news, news! It's enough to give a man the blues. Nobody married and nobody dead; nobody broken an arm or a head; nobody came in to talk of the "crap"; no one got bossy and started a scrap; no one got run for taking a horn; nobody buried and nobody born. Oh, for a racket, a riot, a fuss! Someone to come in and kick up a fuss; someone to stir up the peace-laden air; somebody's comment to give us a scare. Somebody thumped under an inch of his life; somebody run off with another man's wife; someone come in and pay up their dues; anything, anything, just so it's news.
